### SHARE EXCHANGE TRANSACTION WITH CHINA NET

On June 26, 2009 (the “Closing Date”), we entered into a Share Exchange Agreement (the “Exchange Agreement”), with (i) China Net Online Media Group Limited, a company organized under the laws of British Virgin Islands (“China Net”), (ii) China Net’s shareholders, Allglad Limited, a British Virgin Islands company (“Allglad”), Growgrain Limited, a British Virgin Islands company (“Growgrain”), Rise King Investments Limited, a British Virgin Islands company (“Rise King BVI”), Star (China) Holdings Limited, a British Virgin Islands company (“Star”), Surplus Elegant Investment Limited, a British Virgin Islands company (“Surplus”), and Clear Jolly Holdings Limited, a British Virgin Islands company (“Clear” and together with Allglad, Growgrain, Rise King BVI, Star and Surplus, the “China Net Shareholders”), who together owned shares constituting 100% of the issued and outstanding ordinary shares of China Net (the “China Net Shares”) and (iii) G. Edward Hancock, the principal stockholder of the Company. Pursuant to the terms of the Exchange Agreement, the China Net Shareholders transferred to us all of the China Net Shares in exchange for the issuance of 13,790,800 shares (the “Shares”) of our common stock (the “Share Exchange”). As a result of the Share Exchange, we are now a holding company, which through certain contractual arrangements with operating companies in the PRC, is engaged in providing advertising, marketing and communication services to small and medium companies in China.

Immediately prior to the Share Exchange, we cancelled and retired 4,400,000 shares of our issued and outstanding common stock (the “Cancelled Shares”) (reducing our issued and outstanding shares to 1,383,500), and issued 600,000 shares of our common stock in the aggregate to certain third parties in consideration for services rendered (resulting in 1,983,500 shares of issued and outstanding common stock immediately prior to the Share Exchange). A cash amount of \$300,000, previously deposited by us into an escrow account pursuant to an escrow agreement was paid to G. Edward Hancock, our former majority shareholder and owner of the Cancelled Shares, as consideration for cancelling the Cancelled Shares in connection with the Share Exchange. As a result of the cancellation of the Cancelled Shares, the share issuance described above, and the Share Exchange, we had 15,774,300 shares issued and outstanding following the Share Exchange.

## General Business Summary of China Net

We are one of China's leading full-service media development and advertising platform for the small and medium enterprise (the "SME") market. We are a service oriented business that leverages proprietary advertising technology to prepare and publish rich media enabled advertising campaigns for clients on the Internet and on television. Our goal is to strengthen our position as the leading diversified media advertising provider in China. Our multi-platform advertising network consists of the website www.28.com ("28.com"), our Internet advertising portal, China-Net TV, our TV production and advertising unit, and our newly launched bank kiosk advertising unit, which is primarily used as an advertising platform for clients in the financial services industry. Using proprietary technology, we provide additional services as a lead generator. We also have pursued a strategy as a re-seller of Internet and television advertising space that we purchase in bulk.

We provide services to over 500 clients, principally comprised of SMEs, in a variety of industries. Our media campaign service consist of both Internet and television advertising, thereby allowing each of our clients maximum advertising exposure. Through 28.com, companies and entrepreneurs are able to advertise their products, services and business opportunities. 28.com is a tool for our clients featuring lead generation, advanced tracking, search engine optimization, resource scheduling, content management and ad campaign management tools. It allows our customers to build sales channels and develop relationships directly with sales agents, distributors, resellers and/or franchisees. It also functions as a one-stop destination for end-users seeking new business opportunities. Through China Net TV, we have in-house television productions and distribution capabilities. We create and distribute television shows that are typically 10 or 20 minutes in length and broadcast on local television stations. Airtime is purchased in 40 minute blocks which air two to four segments each. The television shows are comprised of advertisements, similar to infomercials, but include promotions for several clients during the allotted time. We have also commenced production, on a lesser scale, of web video advertisements for clients to be placed on 28.com.

In May 2008, we launched our newest business opportunity targeting banking customers. In cooperation with the China Construction Bank, we placed 200 interactive kiosks in its branches throughout Henan Province. Each kiosk has an LCD advertising display panel, which provides advertising targeted to bank customers. The kiosk also provides Internet access on a separate screen so that customers can perform basic on-line banking functions.

**CORPORATE GOVERNANCE**

***Committees of the Board Of Directors***

We are currently quoted on the OTC Bulletin Board (the “OTCBB”) under the symbol “EMZG”. The OTCBB does not have any requirements for establishing any committees. For this reason, we have not established any committees. All functions of an audit committee, nominating committee and compensation committee are and have been performed by our board of directors.

Our Board believes that, considering our size, decisions relating to director nominations can be made on a case-by-case basis by all members of the Board without the formality of a nominating committee or a nominating committee charter. To date, we have not engaged third parties to identify or evaluate or assist in identifying potential nominees, although we reserve the right to do so in the future.

The Board does not have an express policy with regard to the consideration of any director candidates recommended by shareholders since the Board believes that it can adequately evaluate any such nominees on a case-by-case basis; however, the Board will evaluate shareholder-recommended candidates under the same criteria as internally generated candidates. Although the Board does not currently have any formal minimum criteria for nominees, substantial relevant business and industry experience would generally be considered important, as would the ability to attend and prepare for board, committee and shareholder meetings. Any candidate must state in advance his or her willingness and interest in serving on the board of directors.

Following the Effective Date, we intend to appoint such persons and form such committees as are required to meet the corporate governance requirements imposed by the national securities exchanges. Therefore, we intend that a majority of our directors will eventually be independent directors and at least one of our new independent directors will qualify as an “audit committee financial expert.” Additionally, we will adopt charters relative to each such committee. Following the Share Exchange, until further determination by our board of directors, the full board of directors will undertake the duties of the audit committee, compensation committee and nominating committee.

***Director Independence***

Presently, we are not required to comply with the director independence requirements of any securities exchange. In determining whether our directors are independent, however, we intend to comply with the rules of the NYSE AMEX (formerly known as the American Stock Exchange). The board of directors also will consult with counsel to ensure that the board of directors’ determinations is consistent with those rules and all relevant securities and other laws and regulations regarding the independence of directors, including those adopted under the Sarbanes-Oxley Act of 2002 with respect to the independence of future audit committee members. The NYSE AMEX listing standards define an “independent director” generally as a person, other than an officer of a company, who does not have a relationship with the company that would interfere with the director’s exercise of independent judgment.

We do not currently satisfy the “independent director” requirements of the NYSE AMEX, which requires that a majority of a company’s directors be independent. However, our board of directors is in the process of searching for suitable candidates to appoint as additional members, each of whom will satisfy such independence requirements.

***Directors Attendance at Meetings***

During fiscal 2008, the Board held eight meetings. None of the directors attended fewer than 75% of the total number of Board of Directors meetings.

## CERTAIN RELATIONSHIP AND RELATED TRANSACTIONS

PRC law currently limits foreign equity ownership of companies that provide value-added telecommunication services and advertisement services (in case the parent company is not qualified). To comply with these foreign ownership restrictions, we operate our business in China through a series of contractual arrangements with the PRC Operating Subsidiaries and its shareholders. Some of the shareholders of the PRC Operating Subsidiaries are also our directors and executive officers. These agreements are summarized as follows:

### **Exclusive Business Cooperation Agreements**

Pursuant to Exclusive Business Cooperation Agreements entered into by and between Rise King WFOE and each of the PRC Operating Subsidiaries in October 2008, Rise King WFOE has the exclusive right to provide to the PRC Operating Subsidiaries complete technical support, business support and related consulting services, which include, among other things, technical services, business consultations, equipment or property leasing, marketing consultancy and product research. Each PRC Operating Subsidiary has agreed to pay an annual service fee to Rise King WFOE equal to 100% of its audited total amount of operational income each year. Each PRC Operating Subsidiary has also agreed to pay a monthly service fee to Rise King WFOE equal to 100% of the net income generated on a monthly basis. The payment and terms of payment are fixed to ensure that Rise King WFOE obtains 100% of the net income for that month, although adjustments may be made upon approval by Rise King WFOE to provide for operational needs. If at year end, after an audit of the financial statements of any PRC Operating Subsidiary, there is determined to be any shortfall in the payment of 100% of the annual net income, such PRC Operating Subsidiary must pay such shortfall to Rise King WFOE. Each agreement has a ten-year term, subject to renewal and early termination in accordance with the terms therein.

### **Exclusive Option Agreements**

Under Exclusive Option Agreements entered into by and among Rise King WFOE, each of the PRC Shareholders, dated as of October 8, 2008, each of the PRC Shareholders irrevocably granted to Rise King WFOE or its designated person an exclusive option to purchase, to the extent permitted by PRC law, a portion or all of their respective equity interest in any PRC Operating Subsidiary for a purchase price of RMB 10 or a purchase price to be adjusted to be in compliance with applicable PRC laws and regulations. Rise King WFOE or its designated person has the sole discretion to decide when to exercise the option, whether in part or in full. Each of these agreements has a ten-year term, subject to renewal at the election of Rise King WFOE.

### **Equity Pledge Agreements**

Under the Equity Pledge Agreements entered into by and among Rise King WFOE, the PRC Operating Subsidiaries and each of the PRC Shareholders, dated as of October 8, 2008, the PRC Shareholders pledge, all of their equity interests in PRC Operating Subsidiaries to guarantee Beijing CNET Online's performance of its obligations under the Exclusive Business Cooperation Agreement. If Beijing CNET Online or any of the PRC Shareholders breaches his/her respective contractual obligations under this agreement, or upon the occurrence of one of the events regarded as an event of default under each such agreement, Rise King WFOE, as pledgee, will be entitled to certain rights, including the right to dispose of the pledged equity interests. The PRC Shareholders of the PRC Operating Subsidiaries agree not to dispose of the pledged equity interests or take any actions that would prejudice Rise King WFOE's interest, and to notify Rise King WFOE of any events or upon receipt of any notices which may affect Rise King WFOE's interest in the pledge. Each of the equity pledge agreements will be valid until all the payments due under the Exclusive Business Cooperation Agreement have been fulfilled.

### **Irrevocable Powers of Attorney**

The PRC Shareholders have each executed an irrevocable powers of attorney, dated as of October 8, 2008, to appoint Rise King WFOE as their exclusive attorneys-in-fact to vote on their behalf on all PRC Operating Subsidiary matters requiring shareholder approval. The term of each power of attorney is valid so long as such shareholder is a shareholder of the respective PRC Operating Subsidiary.

Shanghai Borongdonsi is owned 51% by Beijing CNET Online. Beijing CNET Online and Shanghai Borongdingsi entered into a cooperation agreement in June 2008, followed up with a supplementary agreement in December 2008, to conduct e-banking advertisement business. Pursuant to the cooperation agreements, Beijing CNET Online committed to purchase equipment, and to provide working capital, technical and other related support to Shanghai Borongdingsi.
