Our Business

We are a holding company that conducts our primary businesses through our subsidiaries and operating companies, Business Opportunity Online, Beijing CNET Online, Shanghai Borongdongsi and Rise King (Shanghai) Advertisement Media Co., Ltd. We are one of China's leading business-to-business ("B2B") fully integrated internet service providers for expanding small and medium enterprises' ("SMEs") sales networks in China. Our services were founded on proprietary internet and advertising technologies that include (i) preparing and publishing rich media enabled advertising and marketing campaigns for clients on the Internet, mobile phone, television and other valued added communication channels, (ii) hosting mini-sites with online messaging and consulting functionalities, (iii) generating effective sales leads and (iv) providing online management tools to help SMEs manage the expansion of their sales networks. Our goal is to strengthen our position as the leading diversified one-stop internet service provider to SMEs for their sales network expansion in China. Our multi-channel advertising and promotion platform consists of the website www.28.com ("28.com"), our Internet advertising portal, ChinaNet TV, our TV production and advertising unit, and our bank kiosk advertising unit, which is primarily used as an advertising platform for clients in the financial services industry and will be further utilized as an additional value-added communication channel for SME clients.

We provide advertising, marketing and lead generation services to over 1,200 clients in a variety of consumer focused business categories including 883 active clients as of year ended December 31, 2010. Our advertising and marketing campaign services combine the Internet, mobile and television advertising, thereby maximizing advertising exposure for our clients; 28.com is a part of this advertising and promotion platform. Through the high traffic internet portal 28.com, operated through Business Opportunity Online, companies and entrepreneurs advertise their business information, brands, products and services, as well as other related business opportunities through their mini-sites hosted by 28.com. The platform also offers campaign management tools for our clients including lead generation and capture, advanced tracking, search engine marketing, search engine optimization, resource scheduling, and content management. Primarily through 28.com, our customers can build sales channels and develop relationships directly with franchisees, sales agents, distributors and/or resellers. It also functions as a one-stop destination for general public seeking new business opportunities or other business ventures. The ChinaNet TV division, which operates through Beijing CNET Online, has in-house television productions and distribution capabilities. We create and distribute television shows that are typically 10 or 20 minutes in length and broadcast on local television stations. Airtime is purchased in 40 minute blocks which are further segmented into two to four sub-blocks. The television shows are comprised of advertisements, similar to infomercials, and also include promotions for several clients during the allotted time. During 2010, we reduced the business scope of the TV division and integrated the TV division into our advertising and marketing platform as a part of the value-added services offered to our clients based on demand. The bank kiosk division, which operates through Shanghai Borongdongsi, provides interactive LCD ad displays and targets banking customers. In cooperation with the China Construction Bank, in 2009 we placed 200 interactive kiosks in its branches throughout Henan Province. During 2010, we placed an additional 175 kiosks in the branches of China Construction Bank in Henan province. In May 2010, we signed an exclusive agreement with Shanghai Rural Commercial Bank ("SRCB") to deploy our online banking and display advertising kiosks in all 300 existing, and all future, SRCB branches. As of December 31, 2010, we installed 150 bank kiosks in SRCB branches. Each kiosk has an LCD advertising display panel, which provides advertising aimed at bank customers. The kiosk also provides Internet access on a separate screen so that customers can perform basic non-cash banking functions such as transferring money, purchasing annuities and/or insurance, and paying bills.

We derive our revenue principally by:

- charging our clients fixed monthly fees for the services provided by the advertising and marketing platform described above;
- charging productions fees for television and video spots;
- selling advertising time slots on our television shows and on our installed bank kiosks;
- collecting fees associated with lead generation; and
- charging brand management consulting fees to a certain group of clients.

Our principal executive offices are located at No.3 Min Zhuang Road, Building 6, Yu Quan Hui Gu Tuspark, Haidian District, Beijing, China 100195, and our telephone number is +86-10-51600828. Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Our officers and directors are indemnified as provided by the Nevada Revised Statutes (“NRS”) and our articles of incorporation and bylaws.

Under the NRS, officer and director immunity from liability to a company or its stockholders for monetary liabilities applies automatically unless it is specifically limited by a company’s articles of incorporation. The NRS provides that an officer or director will not be liable for acts or omissions unless it is proven that the officer’s or director’s acts or omissions constitute a breach of fiduciary duties and such breach involved intentional misconduct, fraud, or a knowing violation of law. Our articles of incorporation provide that no director shall be liable to the Company or its stockholders for monetary damages for breach of fiduciary duty as a director; provided that the director’s liability shall not be eliminated or limited for (i) breach of any duty of loyalty to the Company or its stockholders, (ii) acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law, (iii) any transaction from which the director derived an improper personal benefit, or (iv) an act or omission occurring before the person was a director of the Company.

Our articles of incorporation and bylaws provide that we will indemnify our directors, officers, employees, and agents, to the fullest extent to the extent required by the NRS, and our bylaws provide that we shall indemnify such individuals to the extent permitted by the NRS. Our bylaws also provide that we may purchase and maintain liability insurance, or make other arrangements for such obligations or otherwise, to the extent permitted by the NRS.

The NRS permits us to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or contemplated action, suit, or proceeding, whether civil, criminal, administrative, or investigative, including an action by or on behalf of the Company, by reason of the fact that such person is or was a director, officer, employee, or agent of the Company, or is or was servicing at the request of the Company as a director, officer, employee, or agent of another entity, against expenses, including attorneys’ fees actually and reasonably incurred by such person in connection with the defense or settlement of such action, suit, or proceeding if such person has exercised his powers in good faith and with a view to the interests of the Company; or acted in good faith and in a manner that such person reasonably believed to be in or not opposed to the best interest of the Company, and with respect to any criminal action or proceeding, had no reasonable cause to believe such conduct was unlawful.

Indemnification under the NRS may not be made for any claim, issue, or matter as to which such person has been adjudged by a court of competent jurisdiction, after exhaustion of all appeals therefrom, to be liable to the Company or for amounts paid in settlement to the Company, unless and only to the extent that the court in which the action or suit was brought or other court of competent jurisdiction determines that, in view of all the circumstances of the case, the person is fairly and reasonably entitled to indemnity for such expenses as the court deems proper.

The NRS also provides that to the extent that a director, officer, employee, or agent of the Company has been successful on the merits or otherwise in defense of any action, suit, or proceeding for which the Company is permitted to provide indemnification, or in defense of any claim, issue, or matter therein, the Company is required to indemnify such person against expenses, including attorneys’ fees, actually and reasonably incurred in connection with the defense.

Our articles of incorporation and the NRS require the Company to advance expenses of an officer or director as incurred in defending a civil or criminal action, suit, or proceeding upon receipt of an undertaking from the officer or director to repay the amounts advanced if it is ultimately determined by a court of competent jurisdiction that the officer or director is not entitled to such indemnification.

Item 9. Undertakings

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar amount of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of a prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in this effective Registration Statement;

(iii) to include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

provided, however, that the foregoing paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this Registration Statement

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof; and

(3) To remove from the registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act to any purchaser:

(i) Each prospectus filed by the Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of this Registration Statement as of the date the filed prospectus was deemed part of and included in the Registration Statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a Registration Statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in the Registration Statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the Registration Statement relating to the securities in the Registration Statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof, *provided, however*, that no statement made in a Registration Statement or incorporated by reference into the Registration Statement or prospectus that is part of the Registration Statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the Registration Statement or prospectus that was part of the Registration Statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the Registrant under the Securities Act to any purchaser in the initial distribution of the securities:

The undersigned Registrant undertakes that in a primary offering of securities of the undersigned Registrant pursuant to this Registration Statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned Registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liability arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it or against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, as amended, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, on December 1, 2011.

Re: ChinaNet Online Holdings, Inc./Registration Statement on Form S-8

Ladies and Gentlemen:

We have acted as special legal counsel for ChinaNet Online Holdings, Inc., a Nevada corporation (the "Company"), and are rendering these opinions in connection with the registration on Form S-8 (the "Registration Statement") under the Securities Act of 1933, as amended, of up to 5,000,000 shares of the Company's Common Stock, \$0.001 par value (the "Shares"), that may be issued pursuant to the Company's 2011 Omnibus Securities and Incentive Plan (the "Plan"). Of the 5,000,000 shares to be issued under the Plan, 362,040 shares ("Issued Shares") have been issued and are being offered for resale by the stockholders as listed in the Registration Statement.

In connection with this opinion, we have examined originals or copies, certified or otherwise identified to our satisfaction, of (i) the Registration Statement; (ii) the Articles of Incorporation of the Company, as amended; (iii) the Bylaws of the Company; (iv) the Plan; (v) certain resolutions of the Board of Directors of the Company and of the Compensation Committee of the Board of Directors of the Company relating to the adoption of the Plan, the grant of awards under the Plan, the registration under the Securities Act of 1933, as amended ("Securities Act") of the Shares to be issued under the Plan, and such other matters as relevant; and (vi) the Company's Form 8-K as filed with the Securities and Exchange Commission on June 20, 2011 announcing the adoption of the Plan by the stockholders of the Company at the Company's annual meeting held on June 15, 2011. We also have examined originals or copies, certified or otherwise identified to our satisfaction, of such records of the Company and such other documents, certificates, and records as we have deemed necessary or appropriate as a basis for the opinions set forth herein.

In our examination we have assumed the legal capacity of all natural persons, the genuineness of all signatures, the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as copies and the accuracy and completeness of the information, factual matters, representations, and warranties contained in such documents. We have also assumed that upon issuance of any of the Shares, the total number of shares of the Company's Common Stock issued and outstanding will not exceed the total number of shares of Common Stock that the Company is then authorized to issue and that each stock grant, stock option, or other security exercisable or exchangeable for a Share under the Plan has been, or will have be, duly authorized, validly granted and duly exercised or exchanged in accordance with the terms of the Plan, at the time of any grant of a Share or exercise of such stock option or other security under the Plan.

The opinions set forth below are also subject to the further qualification that the enforcement of any agreements or instruments referenced herein and to which the Company is a party may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, or other similar laws affecting creditors' rights generally, and by general principles of equity (regardless of whether enforceability is considered in a proceeding in equity or at law).

Based on such examination, we are of the opinion that (i) the Shares that have been or may be issued under the Plan are duly authorized shares of the Company's Common Stock, (ii) the Issued Shares were validly issued, fully paid and are nonassessable, and (iii) if, as and when issued against receipt of the consideration therefor in accordance with the provisions of the Plan and in accordance with the Registration Statement, the Shares (other than the Issued Shares) will be validly issued, fully paid and nonassessable.

The opinions expressed herein are limited to the matters specifically set forth herein and no other opinion shall be inferred beyond the matters expressly stated. We disclaim any undertaking to advise you of any subsequent changes in the facts stated or assumed herein or any changes in applicable law that may come to our attention subsequent to the date the Registration Statement is declared effective.

While certain members of this firm are admitted to practice in certain jurisdictions other than Nevada, in rendering the foregoing opinions we have not examined the laws of any jurisdiction other than Nevada. Accordingly, the opinions we express herein are limited to matters involving the laws of the State of Nevada (excluding securities laws). We express no opinion regarding the effect of the laws of any other jurisdiction or state, including any federal securities laws related to the issuance and sale or resale of the Shares.

We hereby consent to the filing of this opinion as an exhibit to the Registration Statement referred to above and the use of our name wherever it appears in such Registration Statement. In giving this consent, we do not hereby admit that we come within the category of persons whose consent is required under Section 7 of the Securities Act of 1933, as amended, or the rules and regulations of the Securities and Exchange Commission thereunder.

Very truly yours,

/s/ Lewis and Roca LLP
