Forward-looking statements:

This release contains certain "forward-looking statements" relating to the business of ChinaNet Online Holdings, Inc., which can be identified by the use of forward-looking terminology such as "believes," "expects," "anticipates," "estimates" or similar expressions. Such forward-looking statements involve known and unknown risks and uncertainties, including business uncertainties relating to government regulation of our industry, market demand, reliance on key personnel, future capital requirements, competition in general and other factors that may cause actual results to be materially different from those described herein as anticipated, believed, estimated or expected. Certain of these risks and uncertainties are or will be described in greater detail in our filings with the Securities and Exchange Commission. These forward-looking statements are based on ChinaNet's current expectations and beliefs concerning future developments and their potential effects on the Company. There can be no assurance that future developments affecting ChinaNet will be those anticipated by ChinaNet. These forward-looking statements involve a number of risks, uncertainties (some of which are beyond the control of the Company) or other assumptions that may cause actual results or performance to be materially different from those expressed or implied by such forward-looking statements. ChinaNet undertakes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as may be required under applicable securities laws.
